As we continue to operate with a limited guest capacity, ALL guests must reserve a timed-entry ticket to secure their visit time. Details on how to reserve your timed-entry for your group will be sent to the main contact by your coordinator.

Group rates are based on a mixed age group audience. Different rates will not apply for children, students, adults, or seniors. Children under the age of 3 are admitted free, but are required to have a ticket. When arranging ticket amounts with your coordinator, please include the number of children under the age of 3.

All group admission requests must be confirmed with the Park Coordinator at least 10 business days prior to your event, or discounted group admission is not guaranteed.

**Good Any Day Tickets** are redeemable online only with the active Promo Code assigned to your group by your coordinator. Tickets need to be printed or shown digitally upon arrival at the admission gate and may only be redeemed during the chosen timeslot validated on the ticket.

**Specific Day Tickets** will be available for pickup prior to your rental date. Tickets must be presented at the gate upon arrival for which timeslot they are valid for. Specific Day Tickets cannot be used on alternative dates. Tickets will be valid for the day of your rental only.

At this time, due to limiting guest capacity, re-entry to the Zoo is not permitted. Your coordinator will assist you in setting up your park reservation and entry time to the Zoo.

Upon arrival, informational signs and staff members will greet and direct you where to go. When there is a wait for entry, you will be directed to a waiting area for your timeslot indicated on your ticket(s). These lines ensure that 6’ distance is maintained between your party and the next.

If you are unable to make your scheduled timeslot, we cannot guarantee entrance into the Zoo. If there is availability in the next timeslot, guests who have missed their original timeslot may be granted access at that time.
