

John Ball Zoo – Bricks-4-Kidz Class

Where: Drop-off will be at the Pond Pavilion. Please plan to have both parent/guardian and the child wear their masks during drop-off. The adult dropping off will be asked to stay in the car. One staff member will help the child safely exit the vehicle for a temperature check while another staff member checks-in with the parent/guardian. Please see the attached map for details.

When: Classes run 1pm-2:15pm or 2:45pm-4pm depending on age group. Pick-up for the class is the same location as drop-off.

Food: Due to the short nature of the class no food will be served. We encourage kids to bring a water bottle as drinking fountains are not currently available due to COVID-19.

Special Needs: Parents are responsible for informing us as soon as possible of any special needs (medical, dietary, allergy, learning, etc.) your child may have. We cannot accommodate a student unless we are aware of their individual needs.

Cancellation Policy: You may cancel and have money refunded (less a \$5 handling fee, per child, per class) **ONLY** with **at least 1 week notice**. Anything less will result in the forfeiture of the complete registration fee. If a child is deemed ill and cannot attend a refund will be available with a doctor's note.

COVID-19 Policies/Procedures: To protect the health and safety of all participants and staff the Zoo will be conducting a screening of every staff and individual daily. Screening for participants includes a questionnaire regarding the health of the child for up to 14 days prior to the class date as well as a temperature check at the time of check-in. If a child has a temperature above 100.4 degrees they will not be permitted to participate and a refund will be given.

Participants are asked to wear a mask at the time of check-in. Participants may be encouraged to wear a mask if the class needs to move to an indoor pavilion area (Ballroom, located in the upper level of the administration building) due to foul weather or to meet an animal not viewable outside.

Bricks kits supplied by Bricks4Kidz are sanitized after every use. Work Spaces will also be sanitized before and after each class. Kids will be working in their own spaces, safely distanced from other participants.

Voucher: Each participant will receive a voucher for one free child admission into the Zoo after their class. Vouchers will be passed out at the end of the class. Parents and/or families interested in visiting the zoo are encouraged to pre-book tickets to the Zoo online as soon as possible to ensure entry at the desired time. The student voucher can be redeemed at the gate without a timed ticket. Please visit jbzoo.org/visitandtickets for more information.

Drop-Off/Pick-Up Area:

Please plan to use the small parking lot (P1 on the map below) off of Fulton street to drop-off and pick-up close to the Pond Pavilion (#3 on the map below).
